Scholarship Agreement Worksheet

You can establish a scholarship with TOSCA in the name of your business, family or in memory or honor of an individual.

Here's how it works:

- An individual or business creates a new scholarship of at least \$250 with TOSCA.
- The scholarship must be for a qualified graduating senior from Orestimba High School, West Valley High or Independent Study. TOSCA will work with you to establish scholarship applicant criteria, should you wish to do so.
- You must contact TOSCA before March 1 to set up and finalize your scholarship.
- You will have the option to present your scholarship at the TOSCA Scholarship Awards Ceremony. Unless otherwise requested, you will also be listed in TOSCA scholarship related press releases, newsletters and social media posts as well as the awards program.
- TOSCA makes it easy for you! TOSCA will manage the entire scholarship process including the application, allocations, student communications and reporting. Awarded scholarship funds are paid directly to the college business office of the school that the scholarship recipient attends. If the student does not fulfill the requirements of the scholarship, funds are rolled over into your specific scholarship fund for disbursement in the following year to future applicants.
